HOLIDAYS HOME WORK

Class – I

Hello kids,

It's time for mangoes, watermelons, ice creams, lemonades and lots and lots of fun! Summer vacations are a welcome break from fixed schedules, rules and regulations. Visiting Nani house, Dadi house, picnics, exploring new places and watching your favourite shows on television. But there is a lot more you can do to make your holidays more interesting and meaningful along with doing your masti. Your teachers have planned some interesting activities for you.

So, don't sleep till late in the morning. Try getting up early and go for a morning walk with your parents, breathe fresh air and avoid playing out in sun. Make a decorative paper bag/folder to keep all your holiday homework.

** Father's Day is on the third Sunday of June. So pamper your dad.*

** Make him feel special in every small way. Surprise him by giving him a card.*
